They feel denied of better learning conditions in the rural areas. They usually hail from rural background. They are weak in communication skills. They hesitate to come forward with their meek abilities. They hope eagerly to learn more and stand beside the successful fellow learners. They found one of their senior from this college stood third to the university. Hence, they too wish for the opportunity to get through with better results. They wanted to meet all the RANK HOLDERS from different streams and wished to interact with them to be equipped with tact and techniques of facing the exams in a better way. It was the result of twenty years dedicated service of the faculty. Since then, the faculty was consistently guiding the students in that direction. After a long period of seven years, in 2013, again our student Mr. Ramesh Harakangi got the 3<sup>rd</sup> rank in BA with Gold Medal in Kannada core subject. He scored 94.18%. It was the incremental growth and is the result of advanced facilities in all the spheres of the college. This created awareness among the students. He ignited the fellow students of the college.

The event made the faculty as well as students to think of inviting all the RANK HOLDERS of the Rani Channamma University, to inspire the young talents of our college to achieve excellence in their studies by providing a platform to interact with the students.
