15. Multidisciplinary / interdisciplinary

The vision of NEP is to impart high quality education for the development of Human Resources in our country as a global citizens, is well taken by the institution. A discussion among the faculty members was initiated on the key principles of NEP. Academic programs are designed to include multi disciplinary/ interdisciplinary courses as Open Electives as specified by the parent university. All the programs are designed in such a way that students get maximum flexibility to choose elective courses offered by other departments. It can be said that the institution is proactively working towards providing a holistic and multi disciplinary education that would aim to develop all capacities of human beings, i.e., emotional, intellectual, social, physical, aesthetic and moral in an integrated manner.

16. Academic bank of credits (ABC):

Regarding Academic Bank credit the institution already following Choice-Based Credit System for all the programmes. And from the academic year 2021-22 NEP was implemented, which follows credit system in academics. Accumulation of credit from any other

institution that the student gains shall be considered by our college. As per ABC guidelines courses undergone by the students to the online mode in National Schemes like, SWAYAM, NFTEL, VLAB etc. of any specified university shall be considered for credit transfer and credit accumulation as directed by the affiliating university in future.

17.Skill development:

Our institution regularly organizes various special lectures, student seminars, workshops, training and awareness programs related to skill enhancement, self employability. Even though, some more skill based programs like hands-on-training in vocational like electrical repairing, poultry farming, goat farming, sericulture, horticulture and embroidery etc. need to be introduced.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

As the institute is located in north Karnataka, students from various socio-economic backgrounds have enrolled, to support such students teachers deliver the curriculum in regional languages like Kannada along with English. Further we deliver curriculum at regular intervals to integrate the cross cutting issues relevant to Gender, Environment, Sustainability, Human values and Professional Ethics as directed by parent University. Also the institute organizes events like Nataka Parampare, Youth Festivals, Parva, Parivartan, Comex and other Fests to enrich folk culture.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Institute offers 24 programmes across Arts, Science, Commerce & PG in commerce all these programs are offered as outcome based education (OBE) which are designed keeping in mind of regional and global requirements. We have implemented OBE with clearly stated program outcomes, program specific outcomes and course outcomes. All the courses are designed in such a way that student contribute proactively to economic, environmental and social wellbeing of the nation. This will encourage innovative mindsets. Our institution encourage research, extension activities along with curriculum delivery and certificate courses, project works, sports and cultural activities were undertaken which enables the student for better outcome. The college has organized workshops, awareness programmes for the benefit of stake holders related to implement NEP. This proves a better way of understanding of NEP.

20.Distance education/online education:

During Covid-19 Pandemic, Institution successfully implemented and practiced online teaching using various online platforms. National & International webinars have been organized by various

departments of the college. Keeping aside the negative impact of lack of face to face learning, online education has broken the geographical barriers. Opening up of the economy including that of education has paved the way of adopting hybrid mode of education i.e., combining online and offline resources. This can be considered as a new normal, which is envisaged the New Education Policy as well.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The successful implementation of the curriculum as prescribed and made mandatory by the affiliating University is ensured through the development and meticulous development of the action plans. At the beginning of the academic year, academic time-table for the programmers for all the semesters are prepared and each department also primed its own time-table. The workload, subjects, paper and units to be taught during the semester are assigned by the HOD's with consultation of the principal. Faculty members prepare their individual time-table and consolidate with department time-table and take approval of HOD while preparing lesson plans. Framing curriculum is the facilities of the affiliating University. Yet by arranging syllabi for skill based and value added certificate courses University syllabus are cultivated meaningfully. Certificate courses are conducted by concerned departments.

Every teacher prepares teaching plan for each class to be engaged. Department meetings are directed to pertain the status of the implementation of the teaching plans of the syllabi. If any

hindrance are found in the newly prescribed syllabi concerned teachers, on obtaining feedback from students are informed to the BOS.

Each action plan is religiously executed, implemented and registered to secure action of prescribed curriculum.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The performance of students is assessed by internal assessment tests and semester end examinations. The process of identification of slow learners comprises conducting discussion, internal tests, additional tests, viva-voce etc. The performance or obtained marks are the key indicators to categorize students as slow learners and advanced learners in a class. Under Non-CBCS scheme of syllabus there are at least two compulsory internal assessment tests conducted at the mid and thirty days prior to the semester end examination. However, in the assessment period college took innovative steps such as personal interaction with students about their area of interest, interviewing, question answer session, the quiz on general knowledge etc. The academic performance in the previous academic year is a good indicator to identify the slow and advanced learners. The heads of the concerned department prepare list of the slow and advanced learners to bridge up the knowledge gap of the enrolled students.

Other measures taken to enhance the performance of slow learners like Remedial Classes- Bridge Course, Group Study System, Provision of simple and standard lecture notes/course materials, Motivational classes are conducted to improve the mental ability of student to analyze problems and to encourage student to attend classes regularly.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The College is permanently affiliated to Rani Channamma University, Belgavi and it follows the programme wise curriculum designed by the university. The learning outcomes of the programmes and courses are stated clearly by the university. The same is published in the official website of the university which can be downloaded by the affiliated colleges. The college has developed its POs and COs taking into consideration the mission and goals of the programmes. For all the undergraduate and postgraduate programmes the POs and COs are drafted following discussions with all the stakeholders.

The programmes offered by College cater to multiple interests of the student community and also at building the human capital needed by the society and nation. The programme outcomes and course outcomes primarily aim at imparting knowledge and skills which is critical for building students' competence and personality. There is also an emphasis on holistic development of the students as the learning outcomes focus on imparting values and ethics and enhancing their interpersonal and communication skills to make them employable in the world. The POs/COs is thus in keeping with the prime motto of the college i.e. empowering students and preparing them to be catalysts of change.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Our management always emphasize on the output of student. It regularly directs to the IQAC to execute it properly. The mission statement of the college itself clearly states the approach towards the holistic development of students' overall personality.

There are four programmes in the college viz. Arts and Commerce, science and PG in commerce, though these are traditional in nature but college has been continuously working on the attainments of

these outcomes very systematically from the first year of their college. The very purpose of academic journey is elaborated through Principal address during inauguration of academic activities, induction programme, expert lectures and classroom interactions. Online and on paper feedback of alumni student helps to evaluate whether students have properly perceived the content of the curriculum.

The COs, POs and PSOs are displayed at various locations in the college campus. Close awareness of cross-cutting issues, basic conceptual clarity, life-skills, practical exposure and their behavioral change are few of the parameters to recognize or evaluate the attainment of their course outcomes. CIE, Google Classroom, PPT Bank, MCQs, Peer Evaluation, Home Assignments, Unit Tests and university assessment are substantially helping to evaluate the learning outcomes.
